Dear John,

I wanted to thank you for the fine job you and your team did on the recent construction of the Conestoga Bank branch office in Blue Bell, Pennsylvania. We certainly encountered unexpected challenges from external sources and throughout it all, ABS worked side-by-side to keep us on schedule and on budget.

The building is beautiful and we appreciate the good work of Kevin Manmiller, John Homa, and the other members of the ABS team who worked on this project.

Sincerely,

*Joni Naugle*
